CHURCH AND PARISH MISSION AUDIT

CONGREGATION QUESTIONNAIRE

As part of the ongoing church and parish mission audit this questionnaire has been designed to receive the views from members of the congregation at St Chad's. It has been designed to encourage as many of our congregation to provide an honest opinion of the impact and influence of St Chad's on both the individual parishioner and the wider parish community. Other than the brief questions at the outset, the questionnaire has been designed to encourage a full and frank expression of individual views. All responses will have strict anonymity and will provide a valuable basis and benchmark upon which to extend the audit. *If you would wish to speak with Patrick Playfair personally regarding any facet of this audit he would be very pleased to hear from you. He can be contacted on 07770 422966 or by e mail at PNPlayfair@aol.com*

For you personally what are the benefits and attractions of worshipping at St Chad's?

How could we improve?

Where do you see a positive impact of the wider mission of St Chad's?

Where do you sense that the wider mission of St Chad's is not having a positive impact?

In what ways could St Chad's reach out to those groups who would not immediately recognise that the modern church can provide a range of activities to meet its mission to be a 'seven day a week church'?

What skills could you bring to support the mission and work of St Chad's?
